MOTION PICTURE INDUSTRY IN "ESSENTIAL CLASS"

Washington. Aug. 24.—The motion picture industry in all its branches has been recognized as an essential industry by the war industries board. Chairman Baruch announced today this action had been taken in line with Provost Marshall-General Crowder's ruling under the "work or fight" regulation that the industry afforded useful occupation.

Recognition of its value is affording an educational medium for the great classes of the people, as well as a wholesome and cheap means of recreation governed the board in placing the industry upon the preferred list for priority. The extensive use of motion pictures by all war recreation agencies also was considered.
